

Local roots. New possibilities.

An invitation to join our candidate interest list

Hello,

Thank you for your interest in **Cumberland Worklink**. We're preparing to connect people with future staffing opportunities, starting in Monticello, Kentucky and surrounding communities within approximately 40 miles.

We invite you to join our **candidate interest list**. It's a simple way to let us know you'd like to hear from us when applications open or future opportunities become available.

How to join

Visit cumberlandworklink.com and complete the short interest form. Share your name, city and contact details, then choose whether we may email, call or text you. You can also call **606-753-2120** for help joining.

What happens next

We may contact you through the methods you select with a launch update or an invitation to complete a separate employment application. No resume, payment, Social Security number, banking information or identification documents are needed to join this list.

A clear first step

Joining is free. This is an expression of interest, not an employment application or job offer. It does not create an employment relationship or guarantee work, placement, hours, pay or a start date. Future opportunities will depend on available assignments and applicable job requirements.

You may update your contact preferences or ask to leave the list at any time by calling **606-753-2120**. You can also use the opt-out instructions in future messages. Please review our [Privacy Notice and text message terms](#) before signing up.

We look forward to making a local connection.
